EQUALITY, DIVERSITY & INCLUSION POLICY

FEBRUARY 2023

EQUALITY, DIVERSITY AND INCLUSION POLICY

Introduction

St Catherine's is committed to being inclusive. We view our diverse population of both students and staff as one of our greatest strengths. In order for us to ensure everyone can thrive and meet their full potential, it is essential that inclusion and equality of opportunity be at the core of all of our activities.

This policy outlines St Catherine's inclusive commitment to ensuring equality of opportunity and equal treatment for staff, students, trustees, volunteers, parents, contractors, customers and others in terms of service provision and employment.

Scope

This policy applies equally to current and prospective members of our school community, including parents. The school is committed to a zero tolerance policy in relation to less favourable treatment on the grounds of any protected characteristic. The policy applies specifically to discrimination and equality of opportunity in respect of 'protected characteristics' as defined in the Equalities Act 2010: age; disability; race; sex; religion or cultural beliefs; gender reassignment; marital status and civil partnership; sexual orientation; and pregnancy/maternity. It applies across the range of employment policies and practice, including those relating to discipline and grievance.

Our school is committed to promoting and developing inclusion and equality of opportunity in all its functions and will see to do this by:

- Communicating its commitment to equality and diversity to all its members of its community
- Ensuring all staff and pupils are aware of this policy
- Developing monitoring, evaluation and review of mechanisms of school policies and decision making
- Demonstrating our zero tolerance attitude towards discrimination by taking all allegations seriously

Responsibilities

St Catherine's values its staff, students, governors, volunteers, parents, contractors, customers and others and expects them to be treated in a respectful manner. Accordingly, all have a responsibility to treat others with dignity and respect. The senior leadership team, both involving and supported by our school council and governing body, have responsibility for ensuring that the school operates within the legal framework for equality and for implementing the policy across our sites.

Each member of the school community is responsible for being alert to and challenging discrimination; embracing diversity; respecting different faiths and beliefs; and upholding quality of opportunity for all.

Legal framework

St Catherine's commitment to anti-discriminatory practice relates to all kinds of discrimination highlighted within the legal framework:

- Direct discrimination, where someone is treated less favourably than another because they have a protected characteristic;
- Indirect discrimination, when a requirement or a condition is applied which has a detrimental effect on a particular group or individual even if there was not a deliberate intention to discriminate;
- Associative discrimination, where there is direct discrimination against someone because they associate with another person who has a protected characteristic;
- Perceptive discrimination, where there is direct discrimination against someone because others think they have a protected characteristic even if they do not possess that characteristic;

- Harassment, when there is unwanted conduct related to a protected characteristic which violates someone's dignity or creates an intimidating, hostile, degrading, humiliating or offensive environment for them, even if the conduct is not directed at the individual or if they do not have the protected characteristic;
- Third party harassment, when there is potential liability for the harassment of staff, students, trustees, volunteers, parents, contractors, customers and others by other individuals or organisations; and
- Victimisation, when someone is treated badly because they have made or supported a complaint under the Equalities Act or is thought to have done so.

Aims and Values

St Catherine's aims to promote equality of opportunity for all members of the school community and both celebrate and value diversity. The aims of this policy and the school's ethos as a whole are to:

The organisation is committed to a working environment in which the contribution and needs of everyone are valued and recognised fully. It will support its staff, students, governors, volunteers, parents, contractors, customers and others in not tolerating any inappropriate, violent or abusive behaviour.

Our school will always be a welcoming place where everyone is valued and where tolerance, honesty, co-operation and mutual respect for others are fostered. We are committed to the development of the whole person within a supportive, secure and creative environment. Our broad, balanced and appropriate integrated curriculum provides equal opportunity for all pupils, irrespective of difference, to maximise their potential and thrive. We want to foster good relations and advance equality across all characteristics - between people who share a protected characteristic and people who do not share it.

We actively promote inclusion and will challenge any form of discrimination and promote harmonious relations in all areas in internal and external school life. We seek to remove any barriers to access, participation, progression, attainment and achievement and take seriously our contribution towards community cohesion.

We will seek to educate students in a multicultural, anti-prejudicial and anti-racist environment using our curriculum, assemblies, PSHE and SMSC programme to promote understanding, appreciation and tolerance.

We have a duty to make reasonable adjustments (case by case considerations) for staff or students who request to be known as gender neutral, gender fluid, undergoing gender reassignment or are transgender.

We will continue to monitor and review our physical environment to consider what reasonable and proportionate steps could be taken to alleviate any substantial disadvantage caused to our students. Please see our accessibility plan for further details.

St Catherine's aims to promote equality and diversity as an employer and to ensure that no job applicant or employee receives less favourable treatment or is disadvantaged by conditions or requirements that cannot be shown to be justifiable in the context of this policy. Selection, recruitment, training, promotion and employment practices will be subject to regular review to ensure that they comply with the Equality, Diversity and Inclusion Policy. All training opportunities will be published widely to all appropriate employees and in such a way so as not to exclude particular groups.

St Catherine's regards discrimination, abuse, harassment, victimisation or bullying of staff, students, trustees, volunteers, parents, contractors, customers and others in the course of work as disciplinary offences which could be regarded as gross misconduct.
